

# PLEONASTIC IS FANTASTIC

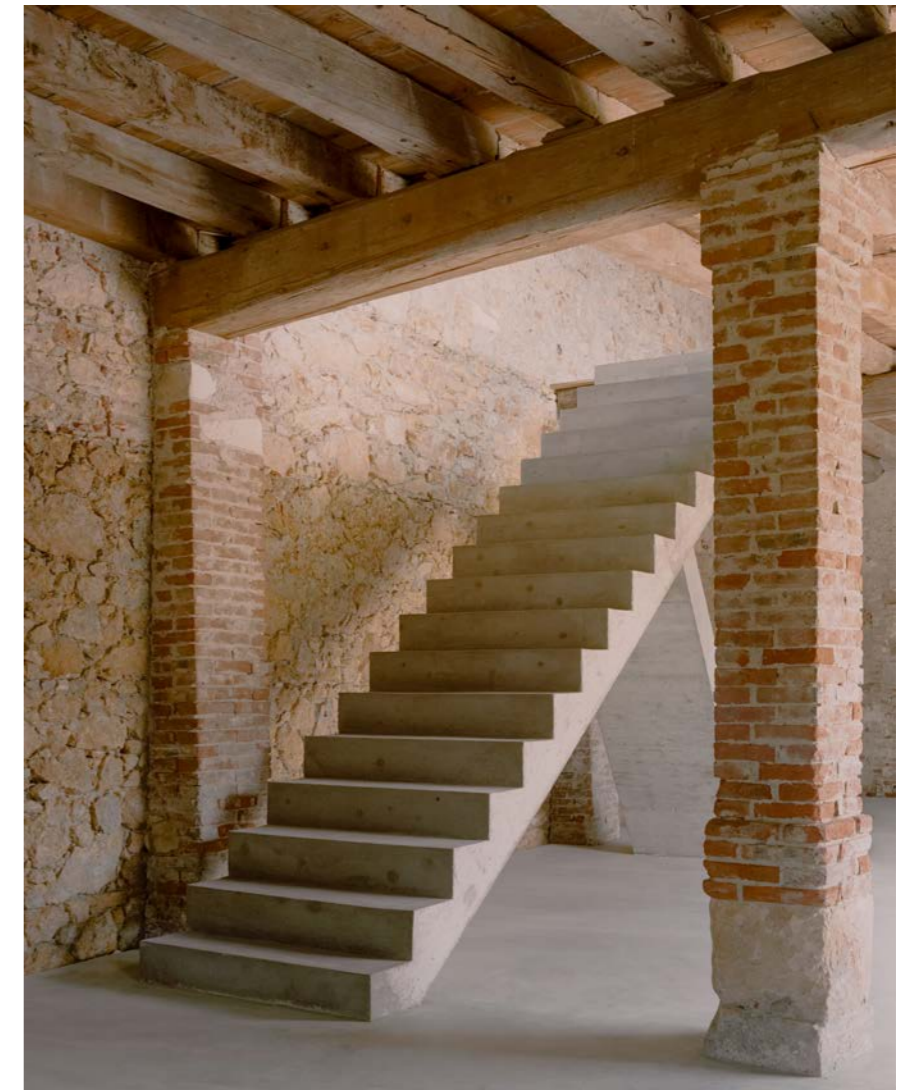

Lonigo (VI), Italy

2020

European Award for Architectural Heritage Intervention

AADIPA

Category A

A pleonastic stair explores the tension between old and new in a restoration project of an old Venetian barchessa converted into a collectible design gallery.

The stair is once a rising pathway, once a scenographic background. It is once embraced by the space and becomes part of it, it is once an intrusive addition.
